Release Contained in Dike: No

Reported to NRC: No

	Spilled	Units	Recovered	Units	Followup	Units
Oil	22	Barrels	22	Barrels	22	barrels

Brine

Other

Description of Other Released Contaminant:

Inspected:

Written Report Received: 9/15/2017

Clean Up Concluded: 8/17/2017

Risk Evaluation:

None

Areal Extent:

Approximately a 20' x 6' patch of grass has a fine spray mist of oil.

Potential Environmental Impacts:

None

Action Taken or Planned:

A vac truck was sent to clean up the oil spill and put oil back into oil storage tank. A steam truck cleaned up the mess and the vac truck also cleaned up that oily water. We will wait for advice from state as to what you would like us to do with the mist on the grass

Wastes Disposal Location: Either R360 or Indian Hills Disposal
